Course and Certificate

October 2020

"Understanding Clinical Research: Behind the Statistics" Course (Coursera Platform, offered by University of Cape Town)

September 2020 – October 2020

"Data Management for Clinical Research" Course (Coursera Platform, offered by Vanderbilt University)

Learning of Research Data Collection Strategy, Electronic Data Capture Fundamentals, Data Collection in Perspective Studies and Post-Study activities

August 2020 – September 2020

"Design and Interpretation of Clinical Trials" Course (Coursera Platform, offered by Johns Hopkins University)

Learning of different types of trial designs, key design features for randomization and masking, outcome analysis, reporting results and ethics.

Investigator Site Personnel ICH GCP Training Certificate, completed on 19th October 2020

Training Certificate for handling/offering for transportation of dangerous goods, completed on 19th October 2020

Personal Skills

Language

| Language | UNDERSTANDING | | SPEAKING | | WRITING |
|----------|---------------|---------|---------------|------------|---------|
| | Listening | Reading | Interaction | Production | |
| Italian | | | Mother tongue | | |
| English | B2 | C1 | B2 | C1 | C1 |
| Spanish | B1 | B1 | B1 | B1 | B1 |
| German | A1 | A1 | A1 | A1 | A1 |

Informatics Skills

- Office: Excel, PowerPoint, Word, Outlook
- LIMS, SAP
- Instrumental Software: Empower, Data Analysis, Openlab, MassHunter

Communicative Skills

Strong aptitude to team working and, at the same time, ability to work independently, reached thanks to academic and job experiences. Great relational aptitude and capacity to mediate.

Managerial Skills

Strong aptitude to planning and timelines. Ability to time managing, working in a stress environment, problem solving and continuous improvement. Capacity to supervise a small team and to coordinate with Manager and co-worker.
